EMPOWERED TO LIVE YOUR BEST *Florida Life!*

Floridacentral is not like a traditional bank! We're a not-for-profit, member-owned, financial cooperative. These guiding principles make us different, and here's why you will love it!

NOT-FOR-PROFIT

We focus on serving our members rather than maximizing profits. The money we earn is returned to our members in the form of better savings and loan rates and lower fees.

MEMBER-OWNED

Our members are our owners! Since we don't answer to outside shareholders, we will always make decisions and operate in a way that is advantageous to our members and our community.

A FINANCIAL COOPERATIVE

Our community approach to finances impresses upon us the importance of each member, so we never miss an opportunity to make our members feel valued for their contributions.
