Documentation
A reference number will be assigned to each transaction that you make using Online or Mobile Banking. You will receive a monthly account statement from us for your share (savings) accounts unless there are no transfers or transactions in a particular month. In any case, you will get a statement at least quarterly. You will receive a monthly account statement from us with your share draft/checking account information.

Financial Institution's Liability
If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages limited to the transfer amount and fees. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of ours, you do not have enough money in your account to make the transfer.
2. If the terminal or system was not working properly and you knew about the technical difficulties when you started the transfer.
3. If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
4. There may be other exceptions stated in our account agreement with you.

Confidentiality
We will disclose information to third parties about your account or the transfers you make:

1. Where it is necessary for completing transfers; or
2. In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
